Project Summary

Piglets baby and toddler group is for children aged 0-5 years and their families/carers. We aim to create a space for children to play, explore, learn and form friendships at the same time as building relationships with their families. Each session offers a variety of toys, craft and sensory experiences and then closes with a bible story, song time and goodbye prayer. When the children start attending Piglets, they are presented with a welcome gift (a4 folder with craft resources and an 'all about me' sheet) and then each week they take home a handout linked to the bible story/theme.
